EUGO Point of Single Contact

EUGO is a network of EU state portals that provides points of single contact for entrepreneurs throughout the EU. Through EUGO information is easily found about which licences, notifications or permits are needed to start a business in any EU country.

The activities of the EUGO Network involve meetings of experts and technical staff as well as testing days and thematic seminars.

Eesti.ee is part of the EUGO network. EUGO operates under the Services Directive which aims to fulfil the goal of a digital single market.

➤ Apply for Estonian e-Residency

The Republic of Estonia is the first country to offer e-Residency — a transnational digital identity available to anyone in the world interested in administering a location-independent business online. e-Residency additionally enables secure and convenient digital services that facilitate credibility and trust online.

➤ Recognition of foreign professional qualification

Check if your qualification is recognised in Estonia.

➤ ID-cards and applying for documents

With an Estonian ID-card a person can access state and private sector e-services and digitally sign documents. The ID-card is mandatory for foreigners staying permanently in Estonia.

Query about identity documents

A person or an institution can make a query about the data of identity documents of a person as stated in the Identity Documents Database.

The result of the query displays the data of the person, the data of the identity documents issued for the person and the photograph and signature sample of the person. The photograph and signature sample is displayed in case of document applications submitted since the date of 01.01.2002.

This query can be made by all persons who have submitted an application for an identity document to the Police and Border Guard Bureau of Citizenship and Migration and by all institutions that have signed a data exchange agreement with the Police and Border Guard Bureau of Citizenship and Migration. If no identity documents have been issued by the KMA for the person, then his/her data are not registered in the Identity Documents Database and the result of the query will not display his/her data.

NB! All official forms are in Estonian.

Teie tehtud valik läks arvesse.

Soovi korral saate häält muuta uuesti elektrooniliselt hääletades. Arvesse võetakse viimane hää.

Häält saate muuta ka eelhääletamise ajal valimisjaoskonnas hääletades. Sel juhul võetakse arvesse Teie paberhääle ja elektrooniline hääle tühistatakse. Valimispäeval (1. märtsil) oma häält muuta ei saa!

Hääle korrektset kohalejõudmist on soovi korral võimalik kontrollida Android, Windows Phone ja iOS operatsioonisüsteemiga nutiseadme abil. Selleks käivitage nutiseadmes rakendus "Valimised" ja suunake nutiseadme kaamera paremal asuvale QR-koodile. Rakendus on saadaval Teie nutiseadme rakenduste poes. Häält on võimalik kontrollida poole tunni jooksul kuni kolmel korral.

Palun sulgege rakendus.
