

Announcement from the Digital Government Development Agency (Public Organization)

No. 11 /2566

Subject: Policy of Not Accepting Gifts and gratuities from Performing Duties  
(No Gift Policy) for Fiscal Year 2024

---

According to the national reform plan for preventing and suppressing corruption and misconduct (Revised version) it specifies significant reform activities (Big Rock). It mandates that all government agencies declare themselves as entities where all government officials do not accept gifts or gratuities while performing their duties (No Gift Policy).

This declaration is an expression of our commitment to fortify morality, ethics, and transparency in the execution of duties, aligning with the principles of good governance. The Digital Government Development Agency (Public Organization) hereby declares itself as an agency where all directors, officers, and staff members refrain from accepting gifts or gratuities before, during, or after performing duties, especially during festivals (No Gift Policy). This policy aims to prevent discrimination or conflicts of interest. If there is a desire to convey good wishes on various occasions, we encourage using greeting cards or expressions on social media rather than exchanging gifts and gratuities.

Therefore, this announcement has been issued for the awareness of every employee, and we expect all officials and workers to adhere strictly to these guidelines.

Announced on 15 December B.E. 2023

(Mr. Supot Tiarawut)

Director of the Digital Government Development Agency
